

We've entered Grant Period 3!

This newsletter was planned for June but so many things have been going on that we've had to postpone it until now... However, we hope our regular mails and posts in social media have helped keeping you up to date.

In this newsletter we include a list of future events, some initiatives that are going on at the moment and some other news we would like to share.

We hope you enjoy it!

Thank you so much Prof. Sven Hoffner!

Sven Hoffner will continue being part of ADVANCE-TB but will no longer act as Vice-Chair.

We thank you very much, Sven, for your work and support from the very beginning and throughout these first years of the Action. We hope to have you still present as an active member of ADVANCE-TB.

Be part of it!

During our Annual meeting in June 2024, we announced different initiatives we are implementing throughout our social media channels. Let's increase our reach and foster interactions within and outside the Action!

#MemberMondays - featuring our members.

#TuesdayNews - updates on the scope of our action (TB, NTM...).

#WorkingWednesday - job/internship announcements in the field.

#FactFriday - key messages/facts regarding the scope of our action (TB, NTM...).

Send WG4 leaders Mateja Jankovic and Raquel Villar Hernández your proposal. They will be super happy :)

Updated documents

Annotated rules for COST Actions have been updated and are effective since the beginning of November.
